

VORTEX GLOBAL EMPLOYEE HANDBOOK 2026

Welcome to Vortex Global

This handbook establishes the core operational guidelines, conduct standards, and employee benefits for all full-time and part-time staff members worldwide.

Section 1: Working Hours & Remote Work Guidelines

Core collaboration hours are 10:00 AM to 3:00 PM in each employee's local timezone. Vortex operates on an async-first philosophy. Remote employees receive an initial \$1,500 home-office setup stipend and a recurring \$150 monthly broadband and utility reimbursement.

Section 2: Paid Time Off (PTO) & Leave Entitlements

Full-time employees receive 25 days of annual paid vacation leave, 10 days of paid sick leave, and 12 company-observed national holidays. Vortex mandates a minimum annual vacation usage of 15 days to guarantee mental wellness and prevent employee burnout.

Parental Leave: Primary and secondary caregivers are entitled to 16 weeks of fully paid parental leave within the first 12 months following birth or adoption.

Section 3: Health Insurance, Wellness & Retirement Plans

Vortex covers 100% of medical, dental, and vision insurance premiums for all employees and 75% for dependents. We offer a 401(k) retirement match of 100% on the first 5% of salary contributed, vesting immediately on day one of employment.

Section 4: Professional Development & Educational Grants

Each team member is allotted an annual continuous learning grant of \$3,500. This fund can be applied toward technical certifications, academic conferences, textbooks, and graduate course tuition with prior manager sign-off.

Section 5: Code of Business Ethics & Anti-Harassment Policy

Vortex enforces zero tolerance for discrimination, sexual harassment, or retaliation. All formal grievances can be reported anonymously via the 24/7 Ethics Hotline at 1-800-555-0199 or via ethics@vortexglobal.com.
